EventResults

The FREE, brandable and mobile friendly website for your event results

EventResults offers:

- Mobile friendly platform
- Custom branding to own look and feel
- Own personal results page for all participants
- Easy Facebook share results button
- Offer a shareable E-Finisher certificate
- Integrate photo/video in your results page
- Combine different results pages under your own organization's account
- All EventResults services are free of charge
- Extensive Google Analytics insights on your Results pages

Make your results available instantly after the event on our free of charge result platform. Our mobile friendly platform is fully customizable to your own look and feel.

Add a shareable online E-Finisher certificate to your results page or simply link the photo/video service you used to the result page for the best experience.

"Fantastic job you did at AJ Bell London Triathlon. Loved the way you presented the results and live tracking was fantastic. Thanks again. Made it a great experience not only for athletes but for those at home watching us. Well done!"

Russell, London Triathlon Competitor
