## Registration

Easy online, on-site and expo registration for race directors, event organizers and participants

### Registration offers:

- Self service for participants
- Mobile friendly platform
- Brandable to own look 'n feel
- Manage expo and onsite registrations
- Year round online shop
- Easy to use content management system to setup event registration
- Inventory management for merchandise
- Clear financial statements
- Frequent payouts to organizers
- Detailed reporting
- Registration statistics

Our mobile friendly Registration platform ensures a smooth and easy registration process for both the participant and the event organizer!

**"Using the MYLAPS Registration platform saved us 1,000 support e-mails on opening day and our finance department was extremely enthusiastic about the automated invoicing feature for all corporate teams. This saved about 4 weeks of work. Via social media we monitored that everybody was impressed and satisfied with the smooth registration process."**

Jan Willem Mijderwijk, Race Director Dam tot Damloop (45.000 participants) & Amsterdam Marathon
