

MYLAPS

SPORTS TIMING

With the MYLAPS BibTag Printer you can print your own BibTags. This gives you the flexibility to take care of last-minute registrations without the rush fees from production and expedited shipping.

BIBTAG PRINTER

Print your
own BibTags

- Printing your own tags saves you money
- Flexibility of printing the tags you need, when you need them
- Create your own tag ranges

About the BibTag system

The BibTag system is designed to minimize logistics and is very user friendly for timers as well as participants. The world's most prestigious marathons as well as countless smaller events use the BibTag system.
