

## **Privacy Information Sporthive.com**

A Sporthive account allows you to collect sport related data in one central account. This can include (but is not limited to) training data, practice data, your own selfies or event results. You can configure who can see your information in your profile settings.

## **Data usage and distribution**

We sometimes share anonymous information with selected partners. We only share aggregated information that is anonymized and no longer relatable to a specific individual.

## **Contact**

In case you have any further questions about Sporthive please check our general [Privacy Policy](#).

In case of doubt, you can also send an email to [privacy@mylaps.com](mailto:privacy@mylaps.com).
