THE PERFECT TIMING SYSTEM FOR TRAINING SESSIONS AND SMALL RUNNING EVENTS

BIBTAG CLUB

DECODER **TIMING MAT** **SOFTWARE** (UP TO 250) **MULTISPORTS TAGS**

The MYLAPS BibTag Club system is optimized for sports clubs and schools. You don't need a professional to set up the system and create results, the system is created with ease of use in mind.
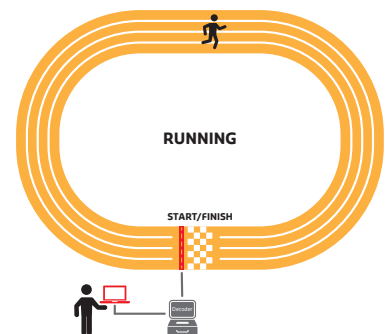

KEEPING TRACK OF PROGRESS

With the BibTag Club system, you can keep track of runners' progress during training sessions. Simply set up the system before the training starts, equip the runners with a tag and you're good to go! You get access to an online overview with lap times so you can see runners improve over time.

TIMING YOUR OWN RUNNING RACES

The BibTag Club system can be used for timekeeping at small club events (up to 250 participants). The easy-to-use software can be used to create start lists and publish the results – directly after the finish.

BIBTAG CLUB SYSTEM INCLUDES:

▶ Professional decoder
▶ 4-meter wide detection mat set-up
▶ Timing & Scoring software
▶ Durable and reusable tags (up to 250)
